We Have Moved

We are pleased to let you know we have relocating to the **North Shore Health Hub in St Leonards.**

This decision has been made to modernise and improve service offerings for you and all our patients. *Free patient* parking and lift access directly to the rooms will be available, and disabled parking directly outside.

This will not impact your appointments or treatment, and we will continue to provide you with personalised care and management from our new location, including the same staff and contact numbers.
